

WHY FRANCHISE WITH 2ND SHIFT®?

Honest and fair service is a core value of the 2nd Shift Sewer & Plumbing® Franchise and is at the heart of everything we do.

“Live the American Dream” has been our motto from the start. 2nd Shift is a business built on providing people the ability to become their own boss, live a balanced and fulfilling lifestyle, while investing in their future. The home service industry continues to grow and our franchise model capitalizes on this as we help our owners deliver honest and fair service to their communities.

BUILD YOUR AMERICAN DREAM

Our business model, which offers a balanced lifestyle, allows you the opportunity to build a successful business, offer a quality place of employment, and live the American dream.

BECOME A TRUSTED RESOURCE

By providing 2nd Shift’s genuine, honest, and fair service for homeowners and businesses in your community, you will become a trusted resource in the sewer and plumbing industry.

RECEIVE THE SUPPORT YOU NEED

Our team will provide you full support as you get your franchise set up, from site selection to approved suppliers. We are here to help make you and your business successful.

BECAUSE WE GIVE A SHIFT

Our business model is perfect for anyone who is a hard worker and wants the excitement, satisfaction, and freedom of business ownership. We have developed all the tools and steps needed to get started. All you need to do is apply good business practices to a great brand and you’re off and running with your new 2nd Shift Sewer & Plumbing® Franchise!

FRANCHISEE QUALIFICATIONS

As a 2nd Shift Sewer & Plumbing® franchisee, your target clients will be individuals, businesses, and others who are in need of 24/7 sewer and plumbing services. Your ability to compete in this market will be largely dependent upon management, involvement, financial strength, economic conditions, geographic area and specific location.

Some of your responsibilities as a franchisee will be to manage the day-to-day operations, offer quality customer service, and coordinate, set up and manage the sales.

FRANCHISEE CANDIDATES MUST AT A MINIMUM MEET THE FOLLOWING QUALIFICATIONS:

- ✓ Be a licensed plumber or have a licensed plumber involved in the business
- ✓ Have a minimum of 5 yrs. experience in the plumbing industry with 3 yrs. minimum experience in residential plumbing
- ✓ Demonstrate good business and personnel management skills
- ✓ Have knowledge of and the ability to operate equipment and machinery associated with the sewer and plumbing industry

INVESTMENT

There is a wide investment range for an individual franchise due to site selection, insurance, training and travel fees, IT set up, licenses and permits, uniforms and supplies, marketing expenses, equipment needed, and your capabilities. The following are some general financial requirements but may vary depending on your situation. Please contact us to learn more!
